YES PREP NORTHBROOK MIDDLE SCHOOL NEWS FOR FAMILIES

Campus Connection

We miss our students dearly and want to stay connected with you all throughout our time away from the school building. Each day students will be able to engage in a Campus Connection and College Prep activity on their 'Teams" application on their iPad or computer on their student SharePoint site. There will be fun activities, challenges, lessons, and village gatherings for students to connect with each other and their teachers. Please be on the lookout for two teams that you will be added to on the "Teams" app to participate in these activities: 'Northbrook Middle Student Updates' and 'YES Prep Northbrook Middle 6th or 7th or 8th Grade Updates" pages. We can't wait to connect with you!

Virtual Spirit Week

We will be participating in a virtual spirit week to kick off our first week back and our first week of virtual learning. Please make sure students participate by dressing up for the theme that day and tagging our school page with a picture or selfie on Instagram @yesprepknights or Facebook @YES Prep Northbrook Middle School.
